

# **PRV fees valid as from 15 October 2023**

# National applications and patents

Fees for government services, such as applications and registrations, and copies and printouts of public documents, are exempt from VAT.

Different payment options are available.

Fees according to the Patents Decree (1967:838) and PRV's statutes (PRVFS).

<b>National patent applications</b>	<b>Fee (SEK)</b>
Filing fee (registration fee: 500 SEK, search fee: SEK 2500, both mandatory)	3 000
Filing fee for pursued international application (registration fee: 500 SEK, search fee: 2500, both mandatory)	3 000
Additional fee for each patent claim beyond the first ten (mandatory)	150
Additional fee for additional time limit to submit translation or transcript of pursued international application	500
Special additional fee applicable when pursued international application covers an invention not subject to either a special international type search or an international preliminary examination, and where neither section 36 nor 37 of the Patents Act applies	3 000
Fee to the patent authority according to section 36 or 37 of the Patents Act (lack of uniformity)	1 000
Reinstatement fee for dismissed patent application	1 000
Granting fee according to section 19, paragraph 2 of the Patents Act, consists of:	
Basic fee for publication	2 500
Additional fee for each new patent claim submitted after the application was filed or, where applicable, is considered as filed, if the number of claims then exceeds the number for which a filing fee has been paid	150
Fee for request for re-establishment of rights	1 000
Application for registration of pledge according to section 104 of the Patents Act	500
<b>International Type Search</b>	
Fee for International Type Search (ITS) when such search is requested in a national patent application where established filing fee has been paid to PRV	5 450
Fee for International Type Search (ITS) when such search is requested in a national patent application where established filing fee has been paid to another Nordic patent authority	8 450
Fee for International Type Search (ITS) in a patent application from a developing country	8 450
Additional fee for International Type Search (ITS) when such search is requested for inventions independent of that specified in the first patent claim, for each invention or group of inventions so linked as to form a single general inventive concept	8 450
Additional fee for International Type Search (ITS) for each patent claim beyond the first ten where such additional claim fee has not already been paid to PRV regarding the same patent application	150
Fee for public notification, section 22, point 5 of the Swedish Patent Act.	500

<b>Annual fees for patent applications and patents</b>	<b>Regular fee (SEK)</b>	<b>Increased fee (SEK)</b>
1st annual fee (due together with 3rd annual fee)	0	0
2nd annual fee (due together with 3rd annual fee)	0	0
3rd annual fee	1 500	1 800
4th annual fee	1 600	1 920
5th annual fee	1 800	2 160
6th annual fee	2 000	2 400
7th annual fee	2 200	2 640
8th annual fee	2 600	3 120
9th annual fee	2 900	3 480
10th annual fee	3 200	3 840
11th annual fee	3 600	4 320
12th annual fee	4 000	4 800
13th annual fee	4 500	5 400
14th annual fee	4 900	5 880
15th annual fee	5 300	6 360
16th annual fee	5 700	6 840
17th annual fee	6 100	7 320
18th annual fee	6 500	7 800
19th annual fee	6 900	8 280
20th annual fee	7 300	8 760
The annual fee is subject to an increase if the fee is paid later than the due date, according to section 41, paragraph 3 or section 42, paragraph 3 of the Patents Act. <b>The increase is 20% of the regular fee.</b>		

<b>Fees for granted patents</b>	<b>Fee (SEK)</b>
Fee for request for re-establishment of rights	1 000
Fee for registration of pledge agreement	500
Application for registration of new or changed patent holder	500
Application for registration of licence	500
Application for registration of change of address	500

<b>Fees relating to supplementary protection</b>	<b>Fee (SEK)</b>
Fee for application for supplementary protection certificate (SPC)	10 000
Annual fee for supplementary protection certificate (SPC)	20 000
Fee for application for an extension of the duration of a supplementary protection certificate (SPC)	6 000

<b>Patent limitation</b>	<b>Fee (SEK)</b>
Fee for request for patent limitation or revocation of a patent	8 500

## International applications

Fees to be paid to PRV in its capacity as a receiving Office (RO), International Searching Authority (ISA) and International Preliminary Examining Authority (IPEA).

Fees for applications and registrations cases are exempt from VAT.

Fees according to the Patents Decree (1967:838) and PRV's statutes (PRVFS).

<b>PCT phase I</b>	<b>Fee (SEK)</b>
International filing fee if application contains no more than 30 pages (only one side of each sheet of paper can be used)	15 840
Additional fee for each additional sheet	180
Fee reduction when an international application is filed electronically in PDF format using Online filing - (eOLF/epoline, ePCT), for further information see Online services.	2 380
Fee reduction when an international application is filed electronically in XML format using Online filing - (eOLF/epoline, ePCT), for further information see Online services.	3 570
If an international application is filed electronically and sequence listings are submitted in a file using the Software PatentIn or another text format specified in WIPO Standard 26, on a 1.44 MB floppy disk, CD-ROM or CD-R, the sequence listings are not included in the calculation of fees as above	As described adjacent
Fee for request for re-establishment of priority in PCT cases	1000
Transmission fee	1 200
Search fee If an international search has been done by PRV in an international application, whose priority is claimed, or if an application has undergone an international type search, the search fee will be refunded in part if the search can be based in full or in part on the search done by the same ISA (rule 16.3 and 41.1 in the PCT implementing regulations)	20 760
Fee reduction if the international search can be based on a previous search and examination report from PRV, another Nordic patent authority or the European Patent Office in a patent application from which priority in the case is claimed.	2 800
Fee reduction if, in an application, priority and a search and examination report are claimed from a previous, equivalent international application which has undergone an international search by the European Patent Office, the Finnish Patent and Registration Office or the Nordic Patent Institute; or if, in an application, it is claimed that the Finnish Patent and Registration Office or the Nordic Patent Institute has done an equivalent international type search with an international search report.	2 800
Late payment fee taken as 50% of the sum total of the unpaid fees stated in official notices from the RO. However, the minimum fee will be equal to the transmittal fee and the maximum fee will be 50% of the international filing fee as referred to in the PCT implementing regulations	As described adjacent
Additional fee when search is requested for inventions that are independent of that specified in the first patent claim: for every invention or group of inventions so linked as to form a single general inventive concept.	20 760
Supplementary International Search, PCT Rule 45 bis	20 760

<b>PCT phase II</b>	<b>Fee (SEK)</b>
Fee for international preliminary examination	5 000
Handling fee	2 380
Late payment fee taken as 50% of the sum total of the unpaid fees stated in official notices from the IPEA. However, the minimum fee will be equal to the handling fee and the maximum fee will be equal to the handling fee doubled	As described, left
Additional fee when examination is requested for inventions independent of that specified in the first patent claim, for each invention or group of inventions so linked as to form a single general inventive concept	

## European patents

Fees for applications and registrations cases are exempt from VAT and different payment options are available.

<b>European patents</b>	<b>Fee (SEK)</b>
Basic fee for publication of translation of the granted European patent. The fee covers the patent in the original, amended wording, correction of published translation or of patent limitation granted by EPO	2 500
Fee for amendment of translation of a European patent not yet published by PRV	900
Fee for public notification of translation of patent claims in a published European patent application or correction of such translation (provisional protection)	500

## Certification

Fees according to the Patents Decree (1967:838) and PRV's statutes (PRVFS).

<b>Fees for different types of certification</b>	<b>Fee (SEK)</b>
Certified information from the patent application diary and the patent register	100
Certificate of pledge	100
Patent diary certificate	100 each
Priority document	250

## Products and services - patents

Vat (25%) is not required for customers holding a VAT number.

Fees are stated excluding VAT.

<b>Search services</b>	<b>Fee (SEK)</b>
<b>Searches with a fixed price</b>	
Novelty search – express delivery	17 300
Novelty search - fixed price	13 300
Personal start kit Patents	3 300
Patent portfolio, company/inventor (per name searched)	1 500

PCT commission	25 000
<b>Searches by quotation</b>	
Hourly price for consultancy services comprising searches in patent-documentation and technical literature (minimum 3 hours)	1 500/hour
administration fee	600
admin. fee for customers holding a deposit account	500
Prior art	By quotation
Technical search	By quotation
Freedom-to-operate search	By quotation
Validity search	By quotation
Preliminary examination	By quotation
Sequence searches	By quotation
Citation searches	By quotation
Patent family search with analysis	By quotation
Patent monitoring	By quotation
Patent mapping	By quotation

<b>Other services</b>	<b>Fee (SEK)</b>
Monitoring of Swedish patent applications	1 200/year
Monitoring of European patent applications	1 200/year
Copies and transcripts of public documents exempt from VAT:	
less than 10 pages	No fee
10 pages	50
for each page over 10 pages	2
Price per item, for copies and printing from books, magazines and other library material which is not a public document	100
Words and expressions in the patent system	325
Postage fee (invoice customer)	30
Postage fee (deposit account customer)	20
For external courses in the patent area, please contact our training operation	

# Trademarks

## Fees and payment

If you use PRV's online service for trademark applications, the filing fee is lower than if you submit your application on paper. The fee must be paid regardless of whether your trademark application is approved or not, as it covers the costs of processing.

## Applications

Fees for government services, such as applications and registrations, and copies and printouts of public documents, are exempt from VAT.

<b>Registration of a new trademark – when you file using our online service</b>	<b>Fee (SEK)</b>
Application for registration for protection in a class of trademark, including a collective, guarantee or control trademark	2 400
Application for registration for each additional class	1 000
Supplementary fee for an application containing goods or services not picked from the list of pre-validated terms. (An application containing any such terms is considered as an application filed on paper in this respect)	500

<b>Registration of a new trademark – when you file using a paper form</b>	<b>Fee (SEK)</b>
Application for registration for protection in a class of trademark, including a collective, guarantee or control trademark	3 500
Application for registration for each additional class	1000
Application for division of an application for registration, for each divisional application	1 800
Reinstatement fee according to chapter 2, section 20, second paragraph or chapter 2, section 34, third paragraph of the Trademarks Act	500

<b>In the case of a registered trademark</b>	<b>Fee (SEK)</b>
Basic fee for renewal for protection in one class, of trademark or collective mark, electronic filing	2 400
Basic fee for renewal for protection in one class, of trademark or collective mark, paper filing	3 500
Application for renewal for each additional class	1 000
Surcharge if renewal is applied for after the registration period has expired, for each class	200
Application for registration of new owner, for each registration of ownership of new legal and/or natural person	1 000
Application for change of word mark or figurative mark	1 000
Application for registration of licence	1 000
Application for division of a registration, for each divisional registration	1 800
Application for registration of pledge or registration of new pledge owner	1 800
Reinstatement of dismissed application (according to chapter 2, article 20, second paragraph or chapter 2, article 36, third paragraph, VmL)	500
Administrative revocation of a trademark registration	900

<b>Fees for certificates of registration</b>	<b>Fee (SEK)</b>
Certificate of registration ordered afterwards for a registered trademark (A certificate of registration is included in the filing fee in a new application)	200
Historical certificate of registration	350

Priority document	350
-------------------	-----

<b>Fee for examination of application for permission to use Swedish official designation</b>	<b>Fee (SEK)</b>
Application for permission to use a Swedish official designation	1 350

<b>Fee for registration of Swedish municipal coat of arms</b>	<b>Fee (SEK)</b>
Registration fee	2 400

<b>Fees in connection with the Council Regulation (EC) No 207/2009 of 26 February 2009 on the Community trade mark</b>	<b>Fee (SEK)</b>
Conversion of application for registration of a Community trademark or a Community collective mark, for protection in one class	3 000
Conversion of application, for each additional class	1 000
Certificate relating to representation before EUIPO	1 200

<b>Fees for international registration according to the Madrid Protocol</b>	<b>Fee (SEK)</b>
Application for international registration for protection in a class of trademark or collective mark	3 000
Application for international registration for each additional class	1 000
Reinstatement fee according to chapter 5, section 6, second paragraph of the Trademarks Act	500
First, a basic fee is paid directly to the international agency. Then, applicants must pay either 1) a supplementary fee for each additional class after the first three and a complementary fee per designated country, or 2) an individual fee to the countries that have chosen to charge such a fee.	
You can read more about the fees that apply on <a href="#">WIPO's website</a> .	

<b>Fees for international registration according to the Madrid Protocol</b>	<b>Fee (SEK)</b>
Replacement (according to Chapter 5, Section 20 of the Trade Marks Act)	1 400
Transformation (according to Chapter 5, Section 22 of the Trade Marks Act)	2 700
For each additional class	1 000
Application for registration of pledge agreement or registration of new pledgee, for the Swedish part of the international registration	1 600
Application for transfer of trademark ownership, for the Swedish part of the international registration (for each registration)	900
Application for registration of licence, for the Swedish part of the international registration	900
Application for revocation of the international registration	450

## Products and services - trademarks

Fees are excluding VAT, unless otherwise stated.

Quotations are based on an hourly rate of 900 SEK.

<b>Preliminary examinations and searches</b>	<b>Fee (SEK)</b>
Comprehensive preliminary search with delivery within 7 weekdays, up to 5000 search results	2 400
More than 5000 search results	By quotation
Express delivery (weekdays) within 48 hours, additional fee	4 000
Other preliminary examinations and searches	By quotation
Personal start kit Trademarks	2 000

<b>Monitoring, including monthly reports</b>	<b>Fee/year (SEK)</b>
Mark with or without figure, including three classes, 400 SEK for each additional class	6 000
Class (goods/services)	11 500
PRV diary monitoring	3 500
Other monitoring	By quotation

<b>Other services</b>	<b>Fee (SEK)</b>
Swedish Trademark Database (entire database)	5 000
Basic withdrawals, with weekly updates, in advance per year.	
Copies of material other than a public document, if the order is for 10 pages or more. Per page	3
Copies and printouts of public documents exempt from VAT, less than 10 pages	No fee
10 pages	50
for each page over 10 pages	2
Postage costs, invoice	30
Postage costs, deposit account	20

# Design

Fees for government services, such as applications and registrations, and copies and printouts of public documents, are exempt from VAT.

<b>Fees according to the Design Protection Regulation (1970:486)</b>	<b>Fee (SEK)</b>
Filing fee for registration of a design. One five-year period. Electronic filing pursuant to 29§ 1a	2 000
Filing fee for registration of a design. One five-year period. Any other means of filing pursuant to 29§ 1b	2 500
For each additional five-year period (applies in conjunction with registration, see above)	2 200

<b>Additional fees</b>	<b>Fee (SEK)</b>
Class fee for each additional class a design or several designs from a multiple registration are classified in.	500
Multiple registration fee for each additional design	1 400
Storage fee for each specimen	800
Publication fee for each additional image	200
Reinstatement fee	500

<b>Renewal fees</b>	<b>Fee (SEK)</b>
Renewal fee for a registered design. Per five-year period. Electronic filing pursuant to 30 § 1a	2 500
Class fee, multiple registration fee and storage fee are additional, see below	
Renewal fee for a registered design. Per five-year period. Any other means of filing pursuant to 30 § 1b	3 000
Class fee, multiple registration fee and storage fee are additional, see below	

<b>Additional fees</b>	<b>Fee (SEK)</b>
Class fee for each additional class a design or several designs from a multiple registration are classified in.	500
Multiple registration fee for additional design	1 400
Storage fee for each specimen	800
Surcharge when renewal fees are paid after the registration period has expired	500

<b>Fees according to regulation (2009:1576)</b>	<b>Fee (SEK)</b>
Application for register entry of a new owner	900
Certificate of registered design	900

<b>Fees according to PRVFS 2009:11</b>	<b>Fee (SEK)</b>
Priority document	350
Certificate of registered design	200

<b>Community design</b>	<b>Fee (SEK)</b>
Fee for transmittal of application for Community design to EUIPO	500

Fee for issuing the certificate referred to in Article 78.5 of the Council Regulation (EC) No 6/2002 on Community designs (representative before OHIM)	1 200
--	-------

## Products and services - designs

Fees are excluding VAT, unless otherwise stated.

Quotations are based on an hourly rate of 900 SEK.

<b>Novelty and preliminary searches</b>	<b>Fee (SEK)</b>
Design searches	By quotation

<b>Monitoring, including monthly reports</b>	<b>Fee/year (SEK)</b>
Novelty monitoring	By quotation
Monitoring of applicant name/designer	By quotation
Monitoring of a specific type of product	By quotation
Monitoring of a specific appearance	By quotation
Class monitoring	By quotation
PRV diary monitoring	By quotation
Other monitoring	By quotation

<b>Other</b>	<b>Fee (SEK)</b>
Copies of material other than a public document, if the order is for 10 pages or more. Per page	3
Copies and printouts of public documents exempt from VAT, less than 10 pages	No fee
10 pages	50
for each page over 10 pages	2
Postage costs, invoice	30
Postage costs, deposit account	20

# Periodicals
